

26th January  
2019

Mont-Saint-Guibert, november 2018

Dear Colleague,

**SUBJECT: INVITATION TO RADIOLOGISTS NOT RECOGNIZED AS 1<sup>ST</sup> READERS IN THE WALLOON REGION.**

The CCR is inviting radiologists interested in the Breast Cancer Screening Program to participate in the training provided in English by the Dutch National Expert and Training Center for Breast Cancer Screening (LRCB).

**Theoretical training day - Louvain-la-Neuve**

---

The theoretical training day is mandatory to take part in practical reading workshops that will take place in a second time.

**Date** : Saturday, 26th January, 2019 from 8:45 am to 4:30 pm.

**Address** : Cercle du Lac - Leman Hall (1<sup>st</sup> floor) - Boulevard Baudouin 23 at 1348 Louvain-la-Neuve (easy parking).

**Price** : 150 euros.

**Practical reading workshops - Nijmegen (The Netherlands)**

---

These hands-on reading workshops will be held in Nijmegen in groups of up to 20 radiologists.

Priority registration will be given to radiologists 1<sup>st</sup> readers recognized in the Walloon Region.

**Dates too chose** : ✓ from Friday 08/02/2019 - 11:00 am to Saturday 09/02/2019 - 3:30 pm

✓ from Friday 22/02/2019 - 11:00 am to Saturday 23/02/2019 - 3:30 pm

✓ from Friday 15/03/2019 - 11:00 am to Saturday 16/03/2019 - 3:30 pm

Other dates will be proposed if necessary.

**Address** : Dutch National Expert and Training Center for Breast Cancer Screening - LRCB in Nijmegen (The Netherlands).

**Price** : 350 euros (the payment confirms the registration).

You will find attached the program of these trainings and the registration form to be returned duly completed by 15th December 2018 to the CCR by e-mail : [isabelle.fabry@ccref.org](mailto:isabelle.fabry@ccref.org) or by fax : 010 45 67 95.

The theoretical training day and the practical workshops are the subject of an application for accreditation.

Sincerely yours.

Dr Thérèse de Foy  
Assistant Coordinator of the CCR

M. Michel Candeur  
Coordinator of the CCR
